

## Introduction

Congratulations on your purchase of the Targus Travel USB 2.0 4-Port Hub with Notebook Light, swivel connector, and retractable design. The travel hub provides lighting to the Notebook, which can be turned off when the retractable light is placed back into the recessed position. The hub also includes a clip on the back to attach it to the top of a notebook screen.

## Features

- Expand your capabilities – Simultaneously connect 4 USB devices such as mice, digital cameras, and flash drives to your notebook.
- Built-in notebook light - Swivels 180 degrees to provide maximum keyboard illumination.
- Built-in clip - Attaches hub to the back of the notebook.

## To use the Travel USB 2.0 4-port Hub with Notebook Light

1. Insert the USB hub into a free USB port, ideally located on the side of your notebook.

 NOTE: IF YOU DO NOT HAVE A USB PORT ON THE SIDE OF YOUR NOTEBOOK, YOU CAN USE THE USB EXTENSION CABLE PROVIDED TO EXTEND THE CONNECTION FROM THE BACK OF YOUR NOTEBOOK TO THE SIDE OR TOP OF YOUR NOTEBOOK AND USE THE CLIP ON THE BACK OF THE HUB TO ATTACH TO YOUR NOTEBOOK (PLEASE NOTE DUE TO VARIATIONS IN NOTEBOOK THICKNESS, THE STABILITY OF HUB MAY BE AFFECTED).

2. Pivot the notebook light to the proper angle for maximum keyboard illumination.
3. You may now connect other USB devices to the hub.

## Product Registration

Targus recommends that you register your Targus accessory shortly after purchasing it. Go to: <http://www.targus.com/registration.asp>. You will need to provide your full name, email address, phone number, and company information (if applicable).

## Warranty

Targus warrants this product to be free from defects in materials and workmanship for one year. If your Targus accessory is found to be defective within that time, we will promptly repair or replace it. This warranty does not cover accidental damage, wear and tear, or consequential or incidental loss. Under no conditions is Targus liable for loss of, or damage to a device nor loss of, or damage to, programs, records, or data; nor any consequential or incidental damages, even if Targus has been informed of their possibility. This warranty does not affect your statutory rights.

## Regulatory Compliance

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) This device must accept any interference received, including interference that may cause undesired operation.

## FCC Statement Tested to Comply

This equipment has been tested and found to comply with the limits of a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses, and can radiate radio frequency energy and if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna;
- Increase the separation between the equipment and receiver;
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected;
- Consult the dealer or an experienced radio/TV technician for help.

Changes or modifications not authorized by the party responsible for compliance could void the user's authority to operate this product.

## Declaration of Conformity

Hereby, Targus, declares that this device is in compliance with the essential requirements and other relevant provisions of Directive 1999/5/EC.
